 - State Certificate of Education upon graduation.
 - The high professionalism of our staff and well-equipped facilities guarantee the highest level of education.
 - Scientific research carried out at the university is both applied and fundamental.
2. Kursk State University is fully integrated into the world education system. It is particularly active in developing international links and in participating in international scientific programs and educational projects.
3. High quality education is balanced with excellent prices that are much lower than those offered by Moscow and St. Petersburg universities.
4. The accommodation for students meets international standards and living in Kursk has many advantages:
- low prices on goods and services making it cheaper to enjoy a high standard of living in Kursk than in megalopolises;
 - University campus is conveniently located in the centre of Kursk. Stores, city transportation, cafes, libraries, international telephone service and head post office are all situated in close proximity.
5. Many national diasporas and various religious beliefs, the tolerance of Kursk inhabitants and their interest in cultures and traditions of other nations, guarantee the safety and comfort to international students in Kursk.

6. The system of the Russian language, literature and cultural studies teaching offered by Kursk State University will help to easily overcome any language or cultural barriers.

- Russian language classes are taught by highly qualified professionals having an extensive experience,
- Teaching in English is available.

7. Within social life of the University and the city, there are a lot of ways to spend your free time. International students have the opportunity to visit:

- theatres,
- museums,
- the Philharmonic and Concert Halls,
- galleries,
- the Planetarium, the Circus, recreational complexes,
- clubs and societies of the University.

8. The close proximity of Kursk to Moscow (550 km), Voronezh (320 km) and other historical and cultural centres of Russia, allows us to offer varied excursions for international students.

9. Kursk is a student city. There are about 50 thousand students studying at different institutions of higher professional education in Kursk. After completing preparatory courses at Kursk State University, international students can proceed to specializing at any university.

10. Kursk is one of the most important historical, industrial and cultural centres in the Black Soil Region. Learning its culture and traditions allows international students to soak up the history and mentality of Russia.

By choosing Kursk and Kursk State University you will discover Russia and join the world educational system that has no boundaries.

THE CITY AND THE UNIVERSITY WELCOME YOU TO THE VERY HEART OF RUSSIA
